DR. ROBACK'S REMEDIES.

We publish in another column of today's paper, an article copied from the Cincinnation Times, descriptive of Dr. Roback's extensive medical establishment in that city. By the way, Dr. Roback's Remedies have obtained a creat and deserved popularity with all classes it has been but ashort time since these Remedies were introduced into our section of country—yet Dr. Brennan, Dr. Roback's agent in this place, informs us that his sales of the Blood Pilis and Blood Purifier now far exceed those of all other medicines for which he is agent, combined. The reason for this, is, that they have stood the test of practical experience—

And it appearing by affidayit filed, that the place, informs us that his sales of the Blood Pills and Blood Purifier now far exceed those of all other medicines for which he is agent, combined. The reason for this, is, that they have stood the test of practical experience—We know this not only from the mouths of others, but we have used them in our own family with the very best reachts. For all diseases of the blood, general debility, whether proceeding from sickness or from natural weakness, indigestion, and all kindred milments; we recommendate Scanninvian remedies as the very best medicines extant. They are destined to achieve not an ephemoral success, but a permanent shid deserved reputation, which will render them a necessity in coary family.—Napolson, O., Northwest.
